Whereas, All Hoosiers want state and local tax dollars spent for public education to be used in a way that maximizes effective instruction and learning; and

Whereas, In order for these tax dollars to be used in the most efficient manner, it becomes necessary for those creating the educational budgets to have a better understanding of the scope of the categories involved in funding education: Therefore,

*Be it resolved by the Senate of the
General Assembly of the State of Indiana:*

- 1 SECTION 1. That the legislative council is urged to establish an
- 2 interim study committee to more clearly define what is included in
- 3 instructional and noninstructional spending by school corporations.
- 4 SECTION 2. That the committee, if established, shall operate
- 5 under the direction of the legislative council, and that the committee
- 6 shall issue a final report when directed to do so by the council.
